THE SECRETARY OF DEFENSE
Washington

November 4, 1952

MEMORANDUM FOR THE DIRECTOR, PSYCHOLOGICAL STRATEGY BOARD:

SUBJECT: Reviewing Group for NSC 10/5 Matters Within the
Framework of the Psychological Strategy Board

Reference: Memorandum of the Director, Central Intelli-
gence of 30 October 1952 to Members of PSB --
Subject: Procedure for 10/5 Matters

I am in complete accord with the objectives sought
by the Director, Central Intelligence, in the reference
memorandum and concur in his specific recommendations (1)
to (5) inclusive on page 3. I think I should add, however,
that, in view of the size and complexity of the Department
of Defense it may not always be possible for any one indi-
vidual, even one in a senior position and fully empowered,
to obtain as quick action as the Director may desire -- in
spite of our best efforts.

FOR THE DEPUTY SECRETARY OF DEFENSE:
